

WARNING – DO NOT SIT THIS OUT

WHY IT IS VERY IMPORTANT TO VOTE IN THE MIDTERMS

ELECTION DAY · TUESDAY, NOVEMBER 3, 2026

- 01** When the president is not on the ticket, *voter turnout normally goes down.*
- 02** Democrats have a *well-established machine*, including unions and full-time, taxpayer-funded organizations that keep their turn-out-the-vote activity going.
- 03** Leftist media constantly put out negative information to *discourage the Republican voter.*

THE FOLLOWING WILL HAPPEN IF YOU DO NOT TURN OUT AND VOTE.

THE DEMOCRATS RETAKE THE HOUSE OF REPRESENTATIVES

- ▲ *They will impeach President Trump for the 3rd time* and further take up his time fighting them, even though they will not actually be able to get a conviction in the Senate.
- ▲ *They will stop all hearings into anything the Biden administration or officials were doing* and immediately start holding hearings into many things the Trump administration is doing just to bog him down.
- ▲ *There will for sure be no more good or conservative laws* passed during the rest of the Trump administration.
- ▲ *We will not be able to use “Reconciliation”* to pass a couple of spending bills each year with only 50 votes in the Senate.

THE DEMOCRATS RETAKE THE SENATE

- ▲ *Trump will get no more good people confirmed through the Senate.* Only Trump appointees that are OK with the Democrats will be approved to help Trump carry out his agenda, which will obviously be ones that won't be very effective.
- ▲ *Even if we win the House*, we will not be able to pass a couple of spending bills each year using “Reconciliation,” which only requires 50 votes in the Senate.
